"Songs from the heart"

It's hard to throw Salt & Pine into a specific musical category. Hint's of 90's Alternative, Folk Revival, and Bluegrass all seep into their eclectic mix, but it's best to just see them as three people who love making acoustic music together. Their enthusiasm and kinship is contagious, and their songs stem from that bond.

"I HEAR WELL OVER A THOUSAND LIVE MUSIC PERFORMANCES EVERY YEAR, AND SOMETIMES YOU JUST KNOW ONE OF THEM IS GOING TO BE SPECIAL FROM THE FIRST MINUTE OF HEARING THEM FOR THE FIRST TIME. SALT AND PINE WAS THAT ONE."
